Recognie AI Solutions

Recognie is an AI solutions provider specializing in conversational agents, voice automation, and intelligent recommendation systems.

Our flagship offerings include:

- AI Voice Assistants for service-based businesses

- Chatbots with memory, personalization, and RAG (retrieval-augmented generation)

- Recommendation systems for food, media, and retail

- Cloud deployment & API integration services

Pricing:

- Starter Plan: $99/month - 1 voice assistant, 500 calls

- Pro Plan: $299/month - Multi-branch AI bot, 5,000 calls

- Enterprise: Custom quote - White-label AI platform, priority support

We also offer one-time deployments, consultation, and integration with platforms like Twilio, WhatsApp, and web-based chat widgets.
